**COMMENTS**

1. Good overview of the period, would have enjoyed more explicit descriptions of the connections to today
2. Good topic
3. My assignment of 3 for all historical presentations is because I work for state regulatory agency and this stuff is not directly relevant to my daily work, however, I absolutely loved it on a personal
4. Needed supporting visuals
5. The ties between the two different time periods were weak, should explain events in more detail so he can get his point across better
6. Would have liked a visual aid
