COMMENTS

1. A lot of just explaining charts and reading off slides, first speaker not very dynamic, extremely dry, second speaker better, but I lost interest, too much text
2. First presenter difficult style of presentation, lots of bullet points, monotone voice, second good
3. Give Herd some coffee, great info, poor energy and presentation
4. Herd not so good, Petty ok
5. Herd seemed indifferent to topic, failed to present info in digestible form
6. Petty more interesting presenter than Herd
