1. Good overview of the period, would have enjoyed more explicit descriptions of the connections to today
2. Good topic
3. My assignment of 3 for all historical presentations is because I work for state regulatory agency and this stuff is not directly relevant to my daily work, however, I absolutely loved it on a personal
4. Needed supporting visuals
5. The ties between the two different time periods were weak, should explain events in more detail so he can get his point across better

COMMENTS

1. Could have been more engaging, but very informative
2. He spoke fast
3. Style of presenting difficult to follow or focus on, not quite what I expected, but he sounds like a good educated guy
4. Title somewhat misleading, did not specify that focus was bituminous towns

1. All these topics are issues that are not that important to my organization, but they are important and interesting on their own
2. Great powerpoint
3. Interesting
4. Much financial help, silk industry interesting
5. My assignment of 3 for all historical presentations is because I work for state regulatory agency and this stuff is not directly relevant to my daily work, however, I absolutely loved it on a personal
6. Should have talked a little more about the founding of the museum
7. Want to visit this area
